We started the year right with some amazing folks! Enjoying a true holiday on Virgin's Valiant Lady New Year's Ahoy. Ringing in the New Year with you was a gift!

Next, we were recognized as one of Virgin's Top 100 Travel Advisors on board the Virgin Voyage Fire & Sunset Cruise. We are so grateful that you put us here.

We were whisked away and stayed at the Omni Grove Park in Asheville, NC, where we met some amazing folks, including internationally renowned Artist Patrick Guyton. Spending time in this historic resort, relaxing by the fireplace and chugging --I mean sipping-- classic cocktails.

Then, Scott escaped to New Orleans to attend a tourism conference. While Sean went to Texas to meet with suppliers, attending another conference.

We were fortunate to attend the Gemini Birthday Bash where we celebrated Mark's birthday in style enjoying Virgin's Dominican Daze. The company was the best part of the trip!

Thereafter, we attended the top ten travel agent celebration on board Virgin's Resilient Lady enjoying the Greek Isle Glow with Lindsey G.

We attended the Governor's Conference for the State of Tennessee, where we met with industry leaders in international and domestic travel and tourism. We expanded our travel network and are now preparing exclusive land based tours, as well as getaways to Nashville and the Great Smoky Mountains.

Sean and Della then flew to San Juan as The Connected Traveler was invited to attend the IGLTA Convention as a registered buyer. Meeting Industry Leaders, domestic and international suppliers, destination marketing companies, hotels, resorts, and cruise lines, gave us exclusive incentives and offers for our Connected Traveler Family.

Thank you for a great 2023. Looking forward to 2024!

ONLY CHANGE IS CONSISTENT

As we reflect on the past year, we're reminded that the only constant in travel is change. The best-laid plans may take unexpected turns, presenting challenges that open doors to exciting new possibilities.

Adapting to a Shifting Landscape

Change in travel can take various forms, from individual hiccups to broader industry shifts. We experienced both when planned stops in the Middle East were canceled by multiple suppliers. Then, Virgin delayed the Brilliant Lady, and rerouted ships, impacting 500 of our bookings! This led to multiple adjustments for the upcoming year. Below are just a few of our new trips.
