

HELLO OCTOBER

October Update

It's October! Time to bring out all the apple and pumpkin spice everything. Trust me I think I have had my share of pumpkin bread, pumpkin coffee, pumpkin pie. Wait, can you ever have enough of too much pumpkin pie? NEVER!

October Update Continued

Plus, it's Halloween!!! I know that some of you are a bit too old to trick or treat. It's ok you can watch us. You are never too old to go out, have fun, see a movie or just relax at home and watch some old horror movies.

We are Grateful for You!

We appreciate everyone's kindness, patience and perseverance while we worked through all the issues relating to the influx of calls, bookings, emails, texts and messages relating to Virgin's cancellation of the Brilliant Lady and the resulting confusion. What happened was nothing short of devastating but our amazing clients stuck by us as we attempted to get it all done. We are now going through and reporting all of Virgin's rebooking errors.

New 24/7 Office Phone Coverage: 865-973-9744

We now have 24/7 phone coverage. The great thing about today is there are many ways to contact people. The bad thing about today is that there are so many ways to contact people. It is impossible for us to track each new messaging app and service. We strive to return calls within 24 business hours. We have expanded our phone coverage. So, if you don't hear from us within a 24-hour period, then please call our 24/7 business hotline. You will get a response. Calling the office line is the only way to guarantee that we will get your message.

HELLO OCTOBER

I was so honored to represent The Connected Traveler at the 70th Anniversary IGLTA+ Annual Conference in San Juan Puerto Rico. Trust me when I say this. It was a weeklong of events, appointments and relationships. I did have to teach Monet X Change where my eyes are.
